

Member Agreement Eaters' Guild Summer Share 2009

I have read and understand well enough the responsibility and opportunity afforded by membership in the Eaters' Guild. I understand the risks and rewards of organic agriculture clearly enough to step forward and assume my share. I am also aware that the harvest goals for my share in the Eaters' Guild are set to return considerable values for my investment and that this arrangement can deliver the freshest local organic produce possible.

Please accept my payment for a _____ Full Share (\$500) _____ Half Share (\$285)

A salad doubler is available as an add-on for shares who would like more than the weekly 2/3 lb. full share or 1/3 lb. half share of salad mix.

At least 20 of 25 weeks delivered salad doubler _____ Full (2/3lb.) _____ Half (1/3lb.)
\$100 \$50
